REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

regarding claim 1, the prior art of record does not disclose or suggest a positioning structure of a beach umbrella comprising a rod coupled to a top of a handle (claim 1, line 10) and penetrating a respective aligned pair of apertures of each an upper tube and a lower tube (claim 1, lines 14-15). The closest prior art to Huang fails to disclose each of the tubes having apertures and in particular a pair of aligned apertures. There is no motivation absent applicant's own disclosure to modify include apertures on the lower tube because doing so prevents the upper tube from sliding.

Regarding claims 2 and 3, these claims depend from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
